

Year 1 KIRF Summer 1

Key instant recall facts (KIRFS) are designed to support the development of key arithmetic skills which underpin much of the maths learning at school. Supporting your child(ren) in learning these facts and being able to recall them quickly will help enormously with progression in maths.

Ladybird Doubles

 $1 + 1 = 2$	 $2 + 2 = 4$	 $3 + 3 = 6$	 $4 + 4 = 8$	 $5 + 5 = 10$
 $6 + 6 = 12$	 $7 + 7 = 14$	 $8 + 8 = 16$	 $9 + 9 = 18$	 $10 + 10 = 20$

 visit [twinkl.com](https://www.twinkl.com)

Children should also be able to recall half of a given number to 20. Eg. half of 14/ half of 20 etc

Ways you could help your children to learn these:

- YouTube songs/rhymes
- Say the number facts aloud, as you walk or march!
- Your child could write them down and illustrate them with the correct number of pictures.

In addition, you can help by practicing the following:
