### Value : Love

*Corinthians 13:4-7 Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.*

Dear Parents and Carers,

Our school values are the core of everything that we uphold here at Mears Ashby CE Primary school, this term we focus on the value of love. A value that is foundational to everything we do. This value encompasses many aspects of our school life and touches every individual within our community.

#### Love of Learning

As we strive to raise standards, we hope to cultivate a lifelong passion for learning for all. Teachers are dedicated to creating a learning environment that nurtures this love, encouraging students to explore new ideas, ask questions, and take pride in their work.

#### Love for the Environment

We are also committed to teaching our students the importance of caring for everything in the world around them. We emphasize responsibility and respect for belongings, equipment and nature.

#### Love for Each Other

A key part of our school culture is fostering kindness, respect, and empathy among our students. We encourage children to show love and support to their peers, to understand and appreciate differences, and to build lasting friendships based on mutual care and consideration. By promoting these values, we aim to create a safe and nurturing community where every child feels valued and heard.

With our school vision and values at the heart of all that we do, together, we can help nurture compassionate, curious, and conscious children who understand the importance of love in all its forms.

Thank you for your continued support.

Miss Green

(Principal)

#### Stars of The Week -

**13th** - Florence, Shane and Leo

**20th** - Thomas, Grace and Sam M

**27th** - Annie, Rose and Angus

#### Back To School Disco

Huge thanks for all your support of the disco that was held last Wednesday in the school, it was a great success. FOMAS is run by a very small group of parents, who are still on the look out for more people to join the committee in order to continue the school PTA, which will allow for similar events to be run in the future. Please let the office know if you would like to volunteer to help out.

#### Introducing 'Shout'

There is now a support service on hand that is accessible by sending out a text shout-out for help.

The service is an Integrated Care Northamptonshire service in partnership with the NHS that can be used by anyone in need of talking to someone confidentially.

To start a conversation you just have to **text the word 'Shout' to 85258**. Shout is a free, confidential and 24/7 text messaging service for anyone to benefit from in the county, who needs support at anytime of the day or night.

If you are struggling to cope and need to talk, there are trained Shout Volunteers on the end of the text messages to help, advise and support.

**Please see the poster attached to this email for more information about this service.**
